CC Docket No. 02-6

We would like to appeal the decision of USAC to reduce funding for the following FRNs 2162447, 2162448, 2162450, 2162451 and 2162452 of 471 # 798734 of entity # 16062256.

In the USAC FCDL dated 2/14/2012 it gives the following reason: MR1: The discount for entity (Yeshiva Gedola Of Woodlake Village Inc.16062256 was decreased from 90% to 80%. The applicant failed to supply documentation to support the requested discount. As a result of this action, the shared discount was decreased from 90% to 80%."

We originally appealed this decision appealing based on the fact that we had fax the results of a survey that supports our requested discount of 90%. As the survey results

showed that 18 out of 24 (75%) that responded to our survey were found to be eligible for free or reduced lunches.

USAC denied the appeal stating that although our survey result showed that 75% of our students are eligible for free or reduced lunches but when you apply that 75% to our enrollment of 39 that will equate to 29 students which is less than 75%.

We are appealing this decision because since our survey showed that 75% of our students are eligible for free or reduced lunches that should automatically qualify us for the 90% discount is per USAC rules. Regardless that because of percentages when applied to the full enrollment of 39 it is 29 students that are eligible rather than 29.25.

The way look at it is that we are penalized because we have 39 students instead of 40 students. Had we had 40 students these same survey results would of defiantly qualify us for a 90% discount.
